Legal Action

Kalia Limited (ASX: KLH) (“Kalia” or “the Company”) announces that it and the subsidiary, Kalia Holdings Pty Ltd, have been named as second and third defendants in an action brought by Central Exploration Pty Ltd, Central Area Ltd and RTG Mining (ASX: RTG) in the Supreme Court of Western Australia.

The matter relates to the alleged breach of a Deed of Settlement on activity relating to the Panguna Mine in the Autonomous Region of Bougainville, Papua New Guinea. Bougainville Copper Limited (ASX: BOC) have stated that they hold the rights to the Panguna Mine and are undergoing a licensing renewal process.

Kalia is focussed on developing the potential of the northern region of Bougainville Island where the Company and its representative landowner joint venture partner, Toremana Resources Limited, have applied for two Exploration Licences in the highly prospective Mount Tore area. The applications are not impacted by the action.

Kalia does not yet fully understand why the proceedings have been brought against it, but intends to defend the proceedings as required.

The Company will continue to keep the market informed of any developments in respect of this matter.
